

Use of photographs and videos

The person with parental responsibility for the individual named _____
is to sign here if they approve of the following statements;

I consent to The Homework Genies using photographs, film or audio recordings in which the participant named above is featured in. The individual will not be named. I understand the Material may be used to promote company campaigns, activities, ways to support the company (such as, but not limited to, fundraising appeals), events, products and/or services, programmes or information know-how, through the following communication:

- Printed promotional or informational material
- Digital channels (e.g. social media and websites)
- Media (e.g. online and print)
- Advertising (e.g. press and television)
- The company's internal communications.

Please name any channels you **do not** wish your child to be featured on.

I agree that I have no interest in the copyright or any other rights I may have in the Material in which the participant is featured. I understand the above and I may withdraw my consent to the use the Material by contacting:
